The "DECLARATIONS OF VIOLATIONS" FORUM

October 28, 2017 will serve as an important advancement for African People in the US. One of the National MWM Universal Movements major national Self-Determination, Justice and Freedom programs will be unveiled.

The first **"Declarations of Violations"** Speak Out Forum will premiere putting a spotlight on the MWM **"We Charge Genocide" 21 Project** which is committed to obtaining at least one million signatures charging the United States government and associates with *Crimes Against Humanity*

In honor of Callie House, Marcus Garvey, Queen Mother Moore and ALL of our great Freedom Fighting Ancestors join us on **Saturday, October 28, 2017** at 12:00 noon for the "DECLARATION OF VIOLATIONS" Rally @ 5th & Market St. (in Philly, PA) at the site/location where the first US "white house" was and were the President (George Washington) lived and had his slave house/quarters there also. We will now show not only clear evidence of Constitution fraud, ethical & moral deviance and depravity but also undisputable Human Rights Violations of Black/African Peoples (both Free & Held in Bondage/Servitude/Enslavement/Race Destruction and as such adequately proceed in making our demands for remedies and appropriate compensation clear and uncompromising.

All concerned & Freedom loving groups, organizations, persons, etc. of African descent and allies are encouraged to participate and support this event and campaign in whatever way possible.

The **MWM "20" Reunion** will reconnect millions throughout the US as well as unify and positively impact the lives of millions more, worldwide. Now in its 20th year of nonstop Self-Determination dedication and work, the Founding and National MWM Offices has been aptly readied to begin the necessary global implementation of the long awaited *next steps* from its incredible entry into the socio-political arena by way of its ground breaking **"BlacXPrint" 2020 Agenda**
